

# 2019 Medication Assistance Program

## Overview

This program is based on the amount of funding available and is limited to the Foundation's thirty-seven county service area (visit [www.kfohio.org](http://www.kfohio.org) for list of counties). The program provides financial aid to help individuals purchase renal medications or nutritional supplements. Approved program participants receive \$200 during each six-month period (up to \$400/year) to purchase medications or nutritional supplements through an approved pharmacy. If approved, **renewals must be submitted by July 1st** to maintain funding on program. Priority is given to people who are uninsured or underinsured.

*The above amount will differ for Summit County patients.*
