

2022 Medication Assistance Program

Overview

This program is based on the amount of funding available and is limited to the Foundation's thirty-seven county service area (visit www.kfohio.org for list of counties). The program provides financial aid to help individuals purchase renal medications or nutritional supplements through an approved pharmacy. If approved, a **renewal form must be submitted by July 1st** to maintain funding on program. Priority is given to people who are uninsured or underinsured.

Dollar amounts will differ for Summit County patients.

Guidelines

- Incomplete applications will **NOT** be accepted and returned to the patient or social worker.
- Application must be submitted on a **2022 form**. Old applications will **NOT** be accepted and will be returned.
- Medication assistance cannot be awarded in conjunction with transportation assistance.
- A new patient assistance application **must be completed annually** without exception.
- The Kidney Foundation of Ohio's ability to assist patients is based on the availability of funds. An application for assistance is not a guarantee of acceptance or "entitlement" to services.
- U.S. Federal Poverty Guidelines will be used to determine the patient's level of eligibility. Intentionally misleading information on the application is cause for denial of assistance.
- There is a minimum two-week review process for all applications.
- Programs may be changed or discontinued at any time without notice.
