

# 2024 Emergency Insulin Program

## Overview

Approved applicants can receive an emergency supply of insulin, syringes, or pen needles. The program is available **one-time only**, and when no other assistance is available. The applicant will be notified by phone of approval or denial of the request. Approved individuals will receive supplies from one of two authorized pharmacies.

## Guidelines

- Program is limited to **Cuyahoga County** residents only.
- Incomplete applications will **NOT** be accepted.
- Assistance from this program is available one-time only. **A patient is not eligible a second time.**
- The Kidney Foundation of Ohio's ability to assist individuals is based on the availability of funds. An application for assistance is not a guarantee of acceptance or "entitlement" to services.
- U.S. Federal Poverty Guidelines will be used to determine the patient's level of eligibility. Intentionally misleading information on the application is cause for denial of assistance.
- Program may be changed or discontinued at any time without notice.
