KIDNEY FOUNDATION
OF OHIO, INC.

History

Founded in 1950 by a group of physicians and parents whose children suffered from childhood nephrosis, the Foundation has grown dramatically since inception. Over the past sixty-seven years, the scope of service and geographic focus have grown to now serving 32 counties in northern and eastern Ohio, five counties in northern West Virginia, as well as chapter affiliates in Lake and Summit counties.

The Kidney Foundation of Ohio is a nonprofit organization, based out of Cleveland, and has become the premier agency in Ohio for providing direct assistance and education to individuals suffering from kidney failure. The Foundation remains one of the few health and human service agencies in Northeast Ohio to provide direct dollars to patients.
