

50th Annual Renal Symposium

September 18 & 19, 2025

Wagner's of Westlake

30855 Center Ridge Road, Westlake, Ohio 44145

This annual event attracts over 200 participants from the renal community, including nurses, technicians, social workers, transplant coordinators, case managers and dietitians from major dialysis providers and hospitals, including FMC, DaVita, Centers for Dialysis Care, Cleveland Clinic and University Hospitals. Nationally recognized experts provide the latest information regarding renal health care that addresses the latest issues and trends in dialysis and transplantation.

Over 35 exhibitors attend the event, displaying the latest products and services pertaining to kidney disease. Participants earn Continuing Education Units (CEUs) and network with professionals within their field. CEUs are available for dietitians, nurses, social workers, technicians and transplant coordinators.

To encourage participants to visit sponsor and exhibitor tables each day of the symposium, the Kidney Foundation of Ohio has created a 'vendor raffle'. Participants visit each vendor to receive a stamp on his/her raffle card on top of your company's name. Once every box has been stamped, guests deposit cards into a drawing box located at registration. Drawings will be conducted at 3:00pm on Thursday and Friday.

For questions or more details, contact Annette Fetter at:
